

EUREKA KIKUYU

Versatile Performer

ECONOMICAL ALL ROUNDER

Looking for an economical all rounder?

Then Eureka Kikuyu is your choice of lawn.

A proven performer in most Australian climates, Eureka Kikuyu is a vigorous grower that stands up to a wide range of conditions.

- **Medium-coarse bright green leaves**
- **Reasonable cold weather tolerance**
- **Maintains growth and colour into autumn and early winter**
- **Good resistance to wear, and recovery is rapid**
- **Maintains even colour year round in warm climates**

VERSATILE

Eureka Kikuyu is also a great solution for planting out larger areas and erosion control, given the rapid spread of its runners in favourable conditions. Its tolerance of water logged soils can also make it the best choice for transpiration areas.

Eureka Kikuyu spreads by its vigorous growth from stolons and rhizomes and is a coarse textured grass with a high growth rate. The leaves are approximately 4 – 5mm wide and 25 - 40mm long and are yellow - green in colour. Good for home lawns, racecourses, parks and reserves, golf tees and fairways.

QUICK REPAIRER

Preferring a sunny aspect, Eureka Kikuyu is a dense, rapid growing lawn.

Its vigorous growth habit allows it to repair very quickly if damaged and it is able to establish a strong, deep root base to help it stand up to the hottest summer days. Eureka Kikuyu enjoys a long growing season and with regular mowing will hold a good tight growth mat. It holds its colour well into winter. It will brown off when frost affected but bounces back with full vigour in spring.

BACKED BY LAWN SOLUTIONS AUSTRALIA

With every Eureka Kikuyu purchase, no matter how big or small, you will be issued with a Lawn Solutions Australia Certificate of Warranty.
