PLEASE NOTE

- Lawn is a living thing that you must water, feed, and mow. We take no responsibility for your lack of this.
- Lawn must be laid within 24 hours of delivery in cooler weather, and within 12 hours in warmer weather.
- Lawn must be watered well once installed. Do not water lawn whilst on pallet and do not tarp the pallet.
- Make sure you order slightly more than needed to avoid running short, especially in odd-shaped areas.
- Winter weather may affect the turf farm's cutting lawn, which may affect delivery days at short notice.

PICK UP FROM OFFICE

If you are looking at ordering smaller amounts of turf, or live local and do not wish to pay delivery, we are now offering pick up from our Lonsdale office warehouse. All lawn varieties listed above are available for pick up order but may be dependent on turf farm availability.

Turf must be ordered and paid for by 4pm Wednesdays.

PICK UP TIMES: Friday 12 - 5, Saturday 9:30 – 2

When picking up turf please come into the office first to confirm and sign for your order. We will then direct you to move your vehicle up to the warehouse door for you to handload turf. If your vehicle can allow for a pallet, please let us know prior so we can arrange to forklift it for you.

If we are unable to complete your order for any reason, we can keep your details on file for contact when next available for re-order.

****Please note that turf can be quite heavy. Check the weight allowance details on our website for what vehicles/transport will be required for turf you are after.**

Occasionally small amounts of turf are available from over-ordering for jobs (at no extra cost to the customer). This turf is still fresh and handled as little as possible. It is stored in our office warehouse and is available for collection during business hours. Please contact our office to enquire on amounts, varieties, and price.
