

ORBIT B-HYVE XD BLUETOOTH TWO PORT HOSE TAP TIMER

The B-hyve XD Bluetooth Hose Faucet Timer gives you complete control over hose faucet watering from your Bluetooth device. No more dead plants because you forgot to water them. No more soggy lawns because you forgot to turn the water off. Download the free Android or iOS B-hyve App to program your timer. Complete control is available on the timer so you can water without using your phone if needed. For Wi-Fi access, pair with the B-hyve Hub (sold separately).
