Payment is required on order, either via credit card over the phone, or cash/card in office.

Public holidays: where Monday is a public holiday, there will be no Tuesday deliveries. If Friday is public holiday, then there will be no Friday or Saturday deliveries.

Outer-metro delivery: depends on location, please ask office for delivery cost.

***Metro Area:** Sunnyside's "metro area" classification differs from other suppliers.

Pallets: Brook Turf pallets are collected 10-14 days after delivery - please leave them out where they can be seen by the driver. Turf Farm pallets are collected when trucks are next in the area – a text message will be sent so pallets can be left on verge. Sunnyside pallets will not be collected.

PLEASE NOTE

- Lawn is a living thing that you must water, feed, and mow. We take no responsibility for your lack of care.
- Lawn must be laid within 24 hours of delivery in cooler weather, and within 12 hours in warmer weather.
- Lawn must be watered well once installed. Do not water lawn whilst on pallet and do not tarp the pallet.
- Make sure you order slightly more than needed to avoid running short, especially in odd-shaped areas.
- Winter weather may affect the turf farm's cutting lawn, which may affect delivery days at short notice.

PICK UP FROM OFFICE

Turf ordered for pick up from our Lonsdale office warehouse will incur a service fee of \$1.50 p/m2.

We will pay the fuel levy and delivery cost; however, the fuel levy will still be applied to individual orders of over 50m2.

All lawn varieties listed above are available for pick up order but are dependent on turf farm availability.

Turf must be ordered and paid for by 3pm Wednesdays.

PICK UP TIMES: Friday 12 – 4:30, Saturday 10 – 1:30

Pick up orders will only be made once a minimum amount of 30m2 has been met for an individual turf farm. This can be made up of multiple smaller orders and include different turf types. If we are unable to complete your order for any reason, we can keep your details on file for contact when next available for re-order.

Turf will be in the warehouse adjacent to our Lonsdale office, please come in to see us first. Pick up turf is customer hand load only. If your vehicle can allow for a pallet, please let us know prior and we will see if we can arrange to forklift it for you.

Please note that turf can be quite heavy. Check the weight allowance details on our website for what vehicle/trailer you will require.

Occasionally small amounts of turf are available from over-ordering for jobs (at no extra cost to the customer). This turf is still fresh and handled as little as possible. It is stored in our office warehouse and is available for collection during business hours. Please contact our office to enquire on availabilities.
